A Conversation for Our Future

Envision Prince George's is a call to action to develop and implement a vision for the future of our county with a vibrant economy and high quality of life for all. Through a series of community forums, innovative educational activities, online discussions, and a countywide town meeting, *Envision Prince George's* will engage residents and other stakeholders from all over the county to explore what kind of county we want to create over the next 20 years and beyond.

Join friends, neighbors, colleagues; business, organizational and government representatives; and other Prince Georgians for an interactive Community Forum. Discuss priorities; explore the county's assets, opportunities, and challenges while deepening your connection and commitment to action now and into the future.

Envision Prince George's is a landmark effort aimed at countywide engagement and collaboration. Community Forums are highly interactive facilitated discussions that will ensure everyone has a meaningful opportunity to share views and listen to others. Wireless keypad voting technology will be used to gather participant input and identify important priorities of the community.

Community Forums are free of charge and open to the public, however, space is limited. Reserve Your Place Now!

Register and get involved on-line at www.envisionprincegeorges.org or text 'ENVISION' to 41411 or fax completed registration to 202-775-0404.
