DIVISION DIRECTIVE

I. POLICY

The Division’s policy is to treat all individuals with respect, compassion, courtesy, and equality, regardless of citizenship or immigration status. The Department shall provide services to all persons and exercise its duties in conformity with all applicable Federal, State, and local laws, regardless of the person’s citizenship status, nationality, race, or ethnicity.

II. DEFINITIONS

A. United States Immigration and Customs Enforcement: United States Immigration and Customs Enforcement (ICE) is the federal law enforcement agency under the Department of Homeland Security (DHS) responsible for enforcement of federal laws related to border control, customs, trade, and immigration.

B. Foreign National: A person who is a citizen of any country other than the United States.

C. Administrative Warrant: An administrative (civil) warrant is issued by an immigration official for suspected violations of immigration laws. An administrative (civil) warrant does not include a criminal warrant signed by a judge or magistrate, and it shall not be used by officers of the Division as the basis to detain or arrest a person.
III. PROCEDURES

A. General

1. Warrants for deportation and removal are civil in nature, not criminal.
2. The enforcement of civil federal immigration laws falls exclusively within the authority of ICE. Thus, state and local law enforcement officers do not have legal grounds to stop, detain, search, or arrest an individual based solely on an administrative (civil) warrant, unless they have been deputized by ICE to do so. See 8 U.S.C. Section 1357(g) (Cooperation Agreements). This Division has not and does not intend to be deputized.
3. Local governments may adopt policies prohibiting their officers and employees from inquiring about a person’s immigration status except where required by law. (See 8 U.S.C. Section 1373; http://www.marylandattorneygeneral.gov/Reports/Immigration_law_Guidance.pdf.)

B. Traffic Stops and Citizen Contacts (Prohibited Actions)

1. Officers of this Division shall not initiate an investigation or otherwise take law enforcement activities solely based on the actual or perceived immigration status, including the initiation of a stop, apprehension, arrest, or any other field contact.
2. Persons are not required to prove their citizenship status, country of origin, or information related to their immigration status in the United States. An officer shall not request identification for the sole purpose of determining a person’s immigration status.
3. A traffic stop may not be prolonged, and an individual may not be detained solely for questions related to a person’s immigration status.
4. When persons are being interviewed about potential traffic or criminal offenses, questions about their immigration status shall not be part of routine questioning.

C. Administrative (Civil) Immigration Warrants

1. Warrants for deportation are civil in nature, not criminal.
2. When an officer receives information in the NCIC database on a person, the officer must attempt to determine whether the warrant is an administrative (civil) warrant. To make this determination, the officer must review the introductory message at the beginning of the “notice” from NCIC. If it is administrative in nature, it will contain the language:
   - SUBJECT HAS AN OUTSTANDING ADMINISTRATIVE WARRANT OF REMOVAL/DEPORTATION FROM THE UNITED STATES, or
   - SUBJECT HAS AN OUTSTANDING ADMINISTRATIVE WARRANT OF ARREST FOR IMMIGRATION VIOLATIONS
IMMIGRATION PROCEDURES
PG411.0

3. Should it be determined from the NCIC database and/or any further inquiry that a person has an administrative (civil) immigration warrant, officers shall immediately release the person. However, the officer shall not notify ICE.

4. If an officer is unable to determine the nature of the warrant, the officer shall promptly contact his/her shift commander for consultation and a final decision. The Shift Commander shall exercise due diligence to determine the existence of an administrative (civil) warrant, and, if necessary, detain the individual for a reasonable amount of time until such determination can be made. For purposes of this policy, a reasonable amount of time shall not exceed sixty (60) minutes, in accordance with routine NCIC “hit” confirmation procedures. Once the shift commander concludes that an administrative (civil) immigration warrant exists, the person immediately shall be released. A field contact record detailing the incident must be completed.

D. Criminal Immigration Warrants

1. When a criminal immigration warrant is located in the NCIC database during a traffic stop or an investigation, the individual will be detained, and confirmation with ICE will be made.

2. Before any further detention, arrest, or search (incident to arrest) is made, it must be confirmed that the warrant is both active and is for a criminal offense.

3. If ICE is unable to immediately determine the nature of the warrant, the officer shall promptly contact his/her shift commander for consultation and a final decision. The Shift Commander shall exercise due diligence to determine the existence of a criminal warrant, and, if necessary, detain the individual for a reasonable period until such determination can be made. For purposes of this policy, a reasonable period shall not exceed sixty (60) minutes, in accordance with routine NCIC “hit” confirmation procedures.

4. Upon confirmation from ICE that a criminal immigration warrant exists, the person shall be arrested and processed in accordance with Divisional Directive PG1010.0 “Temporary Detention and Processing Procedures, Adult Arrest Procedures.” A report detailing the incident must be completed.

5. If, after a thorough investigation that involves the consultation of the shift commander, concludes with no determination as to the existence of a criminal arrest warrant, the incident shall be documented on police information report.

- NOTE: See Appendix A for sample NCIC “notice” results for administrative (civil) and criminal ICE warrants.

E. Assisting Federal Authorities

1. Officers are permitted to assist ICE officers and employees when the primary focus of a federal investigation is not immigration violations. Examples include but are not limited to: customs violations, money laundering, narcotics cases, gang crimes, human trafficking terrorist activities, and execution of a criminal warrant or court order issued by a federal judge or
magistrate.

2. All operational requests for assistance made by ICE or other immigration officials that do not have a nexus to criminal activity will require the approval of the Chief of Police, on a case-by-case basis.

3. Nothing in this order prohibits officers from responding to or remaining on the scene of any federal criminal law enforcement investigation, or to assist an officer or public safety.
