

General Information

Fairland offers both pool and gymnastics and birthday parties for children. There is a 15-minute party room set-up and clean-up time included in your rental. Food and beverages may be brought in though we have no refrigerator or freezer available for perishable items. Food and beverages must be purchased or catered. Filming of parties is allowed with a properly filled out Film Request form, found at both front desks.

To schedule a party, you must speak to an Event Coordinator or complete and return the birthday party application attached to this brochure. A hold can be placed on your room and you will be given **three business days** to make full payment and sign your contract to secure your booking. If payment is not made within that time, the hold on your room will be released.

A non-refundable booking fee (see price schedule) and a \$100.00 security deposit must be paid at the time of booking. The security deposit will be returned to the client providing that you leave on time, leave the area clean and all rules and regulations listed on the contract were followed. If the client has followed all rules, the facility will request that the deposit be refunded to the client. For a deposit paid by credit card, the deposit refund will be issued as a credit to the credit card account. For a deposit paid by cash or check, the deposit refund will be issued by check. A check refund may take 3-4 weeks to process. No cash refunds will be allowed.

There are no refunds for no shows. All refund requests must be made at least one week prior to the party date and are subject to a 20% administrative fee. In the event of bad weather, you will be allowed to reschedule your party or request a refund without penalty.

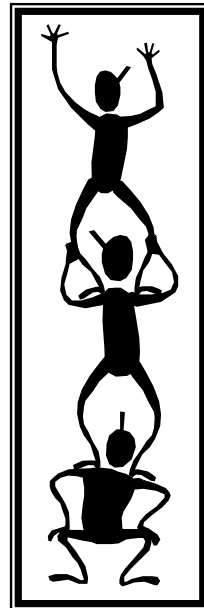

A ParksDirect Account must be established for a contract to be generated.

Gymnastics Parties

Gymnastics birthday parties are 1½ hours long...45 minutes of gymnastics instruction and 45 minutes of "party time" for children ages 4 to 12 years old. The gymnastics portion of the party consists of a quick warm-up, rule time, obstacle course, trampoline, balance beam and pit play. Parties are geared to the age of the birthday child (minimum 4 years, maximum 12 years), so please remember that too large of an age span is difficult for a successful party.

A maximum of 16 children are allowed for gymnastics parties. Siblings and other children NOT participating in the party are not permitted on the equipment at any time. After gymnastics instruction, children move to the party room for party time activities.

Provided by Fairland:

- ✓ Gymnastics Instruction
- ✓ Party Room with Tables and Chairs
- ✓ Invitations

Gymnastics Reservation Procedures

Parties must be scheduled a minimum of two weeks ahead of time. Parties can not have more than 16 children including the birthday child. A birthday party application must be submitted for all party reservations. All parties will be scheduled through the Event Coordinator.
