

# Final Plat of Subdivision Application Procedure/Checklist

All applications for final plats should be submitted digitally for pre-review with a signed application, final plat(s) and any associated document required at the time of final plat by conditions of approval of the associated preliminary plan of subdivision for referral. All digital files are required to be in PDF format.

## FINAL PLAT REQUIREMENTS

- Title block in bottom right corner with subdivision name, election district, scale, and date prepared
- M-NCPPC signature block in the bottom left corner
- DOE signature block next to M-NCPPC block or Health Department approval
- Recordation block next to DOE block
- Zone, preliminary plan # and WSSC (200#) next to recordation block (bottom center)
- Vicinity map in top right corner
- North arrow with WSSC/MD grid
- Coordinate points on two corners
- Bearings and distances with stones and pipes
- Plat must be 18 x 24 with ½ inch border all around
- Property information (i.e. lots, blocks, square footage/acreage, street names, etc.)
- Adjoining property information and across street (plat book and page or liber and folio)
- Surveyors Certificate
- Owners Dedication
- Applicable plat notes
- Staff will review and mark up copies and return them to the applicant with Final Plat Return Form indicating actions required for acceptance

## **Final Plats submitted pursuant to Sections 24-107(c)(17)(B) and 24-108(c)(1) in Sustainable Growth Tier IV**

The sole purpose of these plats is to track the number of lots being created in accordance with Section 9-206 of the Environment Article. Same requirements as above except DOE or Prince George's Health Department signature not required.

## **Final Plats submitted pursuant to Section 24-111(a) shall be governed as a new subdivision (Minor or Major)**
