Address: _____

Signature: _____ Date: _____

Case Name and Number: _____ Permit Number: _____

This form should be used to request a substitution of plant material previously approved on a permit. The proposal must be of the same character as the approved material, i.e. shade tree for a shade tree, evergreen tree for evergreen tree, etc. and may require native species, if the originally proposed plant material was native. Any proposed substitution should be planted in the approved location as shown on the landscape plan. Proposed material should be of the same size as was previously approved.

Please refer to Section 1.4, Plant Substitutions, and Section 4.9 (c)(1) and (3), Sustainable Landscaping Requirements of the 2010 *Prince George's County Landscape Manual*.
