You can view and print your 2026 benefits selections only during the Open Enrollment period (Oct-20-2025 to Nov-7-2025).

2.4 How do I view my current 2025 benefit selections?

Login to ESS and navigate to the Current Benefits section. Your benefits selections for 2025 will be displayed. You can view your current benefits selections at any time.

2.5 How do I view my 2026 benefit selections?

Login to ESS and navigate to the Benefits Enrollment selection. Your benefits selections for 2026 will be displayed and can be printed by following the steps in 2.3 above. You can view your benefits selections only during the Open Enrollment period (Oct-20-2025 to Nov-7-2025).

2.6 When is the Open Enrollment period?

The Open Enrollment period is from Oct-20-2025 to midnight on Nov-7-2025. While you can access the ESS after 5:00P.M. on Friday, November 7th there will be no technical or benefit support after that time.

2.7 If I use online ESS Benefits Enrollment, will I get extra time to make my selections?

No. You must complete submitting your benefits selection by midnight on Nov-7-2025. It is your responsibility to ensure that you verify ESS access, resolve all system related issues and submit your benefits selections in a timely manner. Extra time will not be provided.

2.8 I don't have any Benefits changes for 2026 – do I still need to make my Benefits selections?

You do not have to use ESS if you do not wish to make changes. Your current elections will roll over to 2026, **EXCEPT FOR THE FLEXIBLE SPENDING ACCOUNTS (FSA) AND U.S. LEGAL SERVICES**). You must make a new FSA election each year, even if you are electing the same annual contribution. If you want to continue your enrollment in a prepaid legal plan next year, you must enroll in the Legal Resources Plan. Remember, you must remain enrolled in Legal Resources for 12 months before you can cancel coverage.

2.9 Do I have to use ESS if all I want to do is re-enroll in FSA and keep all other benefits the same?

Users have the option to use paper; however, we encourage and strongly recommend using the ESS. You will have to navigate through each benefit plan screen and select the **“No change; keep same plan and same coverage level”** option for all plans until you get to the FSA election screens to make your 2026 elections.

2.10 What happens if I don't make any Benefits selections?

If you do not make any changes, your current 2025 elections will roll over to 2026 at the new costs, if applicable, **EXCEPT FOR THE FLEXIBLE SPENDING ACCOUNTS (FSA)**. You must make a new FSA election each year, even if you are electing the same annual contribution.

2.11 I submitted my Benefits selections online and I need to make a change – what do I do?

You can submit Benefits selections multiple times during the Open Enrollment period. Only the latest successfully submitted selections will be considered effective. Please make sure you print your elections every time you make changes.

2.12 Why am I not seeing Supplemental LTD as an option?

Only benefit plans for which you are eligible will be displayed. Your base annual salary must exceed \$108,000 in order to be eligible for the Supplemental LTD plan.

2.13 Can I update my life insurance beneficiaries using the ESS platform only during Open Enrollment?

Life insurance beneficiaries can be reviewed or updated using the ESS platform (Benefits →Beneficiary) at any time throughout the year, not only during Open Enrollment.

2.14 Can I make changes once I have entered my elections?

Yes, you can make changes as many times as you wish up until the last day of open enrollment; i.e., midnight on Friday, November 7, 2025. Print your selections at the end of each session.

2.15 How can I add dependents not already in the system?

You must contact the Health & Benefits office at 301-454-1694 or email us at benefits@mncppc.org to submit documents (marriage certificate, birth certificates and social security cards) to add dependents not in the system. The office will review the documents and if acceptable, you will be notified within 2 business days that your dependents were added and you may now access the on-line system to resume your benefits elections.

2.16 Will I get a confirmation email?

No, but you can print your selections at the end of the session or log back into ESS to view selected changes. Each time you make changes you can print the new selections.

2.17 What happens if I do not print my elections?

Your elections will be processed even if you choose not to print them at the end of the session. You can always log back into ESS to view selected changes.
