Subject: Amendments to Administrative Practice 1-30, Organization and Functions of the Office

of the Secretary-Treasurer and Department of Finance

Requested Action

The Commission is asked to review and approve proposed amendments to Administrative Practice 1-30, Organization and Functions of the Office of the Secretary-Treasurer and Department of Finance (Attachment A).

With the Commission' approval, the proposed revisions will be finalized and promulgated.

Background

Originally issued in 1976, Practice 1-30 describes the core functions and responsibilities of the Secretary-Treasurer and Department of Finance. The Practice was most recently revised in 2022 to reflect the current organizational structure with updated descriptions of functions and responsibilities.

Summary of Changes

As part of an effort to continually update the agency's policy system, changes to the existing Practice are proposed to:

- Remove the provision stating the Secretary-Treasurer executes agreements with providers, as the Executive Director performs the role of executing contracts for the Commission.
- Remove the provision that requires the Secretary-Treasurer to attest to the signature of the Executive Director. Attestation of a signature, similar to witnessing a signature, may be performed by any person and does not necessarily need to be the Secretary-Treasurer. This action is also no longer relevant or needed with the use of electronic signatures.

Subject: State Ethics Commission - Recommended Amendments to Practice 2-24, Code of Ethics

Requested Action

The Commission is asked to review and approve proposed amendments to Administrative Practice 2-24, Code of Ethics (Attachment A), to incorporate recommendations from the State Ethics Commission. The recommendations:

- a. Add language to include the Maryland Association of Counties (MACo) and the Maryland Municipal League (MML) as restricted parties for purposes of accepting a gift;
- b. Add a provision to disclose financial relationships with the University of Maryland Medical System (UMMS) for purposes of Financial Disclosure Statements, and
- c. Add a definition for "quasi-governmental entity."

With the Commission' approval, the proposed amendments will be finalized and promulgated.

Background

Concurrent with staff preparing the comprehensive rewrite of Administrative Practice 2-24, Code of Ethics, the Legal Department reached out to the State Ethics Commission to receive feedback on the draft. The State Ethics Commission has now provided input, with the suggestion to make three relatively minor revisions.

Proposed Amendments

1. In the "Gifts" section, add that a "restricted external party" includes, "an association, or an entity acting on behalf of an association, which is engaged only in representing counties or municipal corporations" to cover entities like MACo and MML. See: Attachment A, pg. 12, Section I(B)(1)(c).

- 2. In the "Financial Disclosure" add a provision to disclose relationships with:
 - i. The University of Maryland Medical System (UMMS)
 - ii. A governmental entity of the State or local government in the State; or
 - iii. A quasi-governmental entity of the State or local government in the State.

See: Attachment A, pg. 26, Section II(A)(3).

3. In the "Definitions" section, add a definition for "quasi-governmental entity" to mean, "an entity that is created by State statute, which performs a public function, and that is supported in whole or in part by the State but is managed privately." <u>See</u>: Attachment A, pg. 6, Section titled, *Definitions*.

DRAFT AMENDMENTS TO ADMINISTRATIVE PRACTICE 2-24, CODE OF ETHICS

Key to Revisions:

Grey Highlighted text: Recommended additions.

Stricken text: Recommended deletions.

Bold Italics: Notes to Draft Reviewer.

AUTHORITY

Pursuant to Maryland Public Ethics Law, Article 40A, Annotated Code of Maryland 1957, 1990 replacement volume, and Division II of the Land Use Article of the Annotated Code of Maryland, the Commission approved amendments to this Practice on January 17, 2024.

APPLICATION

This Administrative Practice applies to all employees, including Commissioners, Merit System employees, contract employees, and appointed officials. As to volunteers, only Section I(A) (Standard of Conduct) applies. To the extent an employee is a member of a collective bargaining unit, and any provision of this Code of Ethics directly conflicts with an applicable collective bargaining agreement, the collective bargaining agreement will control with respect to the area of conflict. To the extent other documentation of the employment relationship of an officer, director, or deputy director legally supersedes any provisions referenced herein, that superseding document would control in the event of a conflict. As to Commissioners, to the extent that any provision of this Code of Ethics conflicts with the General Provisions Article of the Maryland Code, Title 5 (Maryland Public Ethics Law), or Section 15-120 of Division II of the Land Use Article of the Maryland Code, the Maryland Code shall prevail.

RESCISSION

Practice 2-14 and accompanying Procedures 03-05, Non-Commission Employment and Non-Commission Business; Practice 2-15, Employee Use of Commission Property; Practice 2-72, Conditions for Acceptance of Awards from Outside the Commission; Practice 2-90, Solicitations on Commission Property; and Practice 5-70, Financial Disclosure are rescinded and replaced by this Practice.

CONTACT

General questions regarding this policy can be directed to the Policy Office by calling 301-454-1736 or by emailing policyreview@mncppc.org. PURPOSE/ BACKGROUND

The Commission initially approved Practice 2-24, Code of Ethics on June 16, 1991, to create a comprehensive Practice governing the M-NCPPC's rules and regulations pertaining to conflicts of interest and ethical conduct. Employees of the Commission must maintain high professional and ethical standards in the performance of their official duties. This Code of Ethics establishes the framework for promoting ethical compliance.

This Code of Ethics addresses the ethical standards applicable to employees. Other Commission Administrative Practices and policies specifically address ethical responsibilities uniquely applicable to particular third parties, including but not limited to lobbyists (Practice 5-61, *Lobbying Disclosure*), volunteers, vendors, and others seeking to do business with the Commission (Practice 4-10 and the Commission's *Procurement Manual*, including Section 2 (Ethics and Sanctions in Purchasing)).

Since its initial adoption, this Practice has been amended, as follows:

- January 9, 2023: Amended to reflect that nominal value is defined by the Executive Director, subject to consultation with the Chair and Vice Chair of the Commission, and in consideration of those amounts set by Prince George's County, Montgomery County, and the State of Maryland.
- November 15, 2023: Amended to update Practice 2-24 and create a single, comprehensive, Code of Conduct, consistent with Maryland Public Ethics Act, Section 5-823 and 5-829 requiring the Commission to adopt conflict of interest and financial disclosure regulations substantially similar to those provisions found in Subtitles 5 and 6 of the Act.
- January 17, 2024: Amended to clarify a former employee may represent or assist a governmental entity on a specific matter or contract in which the former employee significantly participated as a Commission employee, for compensation, provided an actual or perceived conflict of interest is not created.
- [TBA]: Amended to update the definition of "restricted external party" and the required contents of annual Financial Disclosure Statements.

Consistent with the Maryland Public Ethics Law and the Commission's commitment to public accountability, the Commission recognizes that (i) our system of representative government is dependent in part upon the public maintaining the highest trust in their public officials and employees; and (ii) the public has a right to know and be assured that the impartiality and independent

judgment of public officials and employees shall be maintained.

To help ensure accountability and awareness of conflicts of interest, this Practice outlines requirements for employees to avoid actual as well as perceived conflicts of interest. This includes those related to solicitation and acceptance of gifts, non-Commission business and employment, use of Commission resources, use of prestige of office, use of confidential information, post-employment restrictions, political activities, and nepotism. This Practice also outlines the requirements for the completion of Financial Disclosure Statements by individuals whose employment or office puts them in a position of influencing decisions that might benefit parties seeking to do business with, doing business with, or regulated by, the Commission. Furthermore, employees are prohibited from aiding, facilitating, or colluding with third parties in violation of this Code of Ethics.

The Commission intends for this Practice to be liberally construed, to accomplish its purpose.

SUBJECT: Chief Information Officer Report – 4th Quarter- 2023 – Open Session

Update on the Enterprise Resource Planning (ERP): Project Mosaic's Status and Next Steps

Brief (ERP) Background

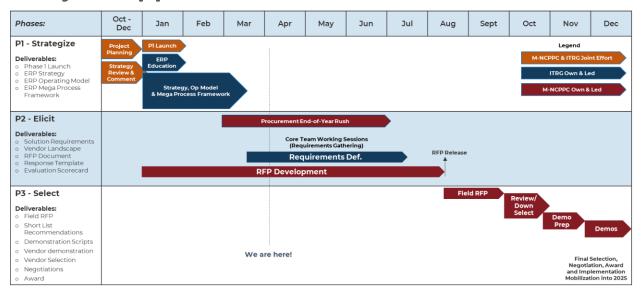

The Commission had its first Enterprise Resource Planning (ERP) implemented in 2011 for finance and human resources. In 2017, the system was nearing the end of vendor support, and the Commission needed to upgrade the system to ensure it had all the support, software patches, and other compliance updates. In 2022, the vendor notified us that the support for the current ERP version would end in April 2026. Our vendor later notified us that support for the current solution would be extended to December 2030.

The Commission completed its ERP Gap Analysis in mid-December 2021. In January 2023, the Chief Information Officer (CIO) presented the findings and recommended two viable options: 1) Upgrading the current Infor/Lawson to the newest Infor version or 2) Replacing the current system. After careful consideration, the Commission decided to pursue an open solicitation process for the optimal ERP solution.

Note:

Info-Tech Research Group, headquartered in London, Ontario, Canada, is working with M-NCPPC to gather data and develop the Request for Proposal for the ERP.
